COSTA ANTON

GRADUTE STUDENT

HELLO

I'm Costa,
a developer
from Bucharest

I am an open-minded individual who consistently strives to attain new knowledge and new experiences. Curiosity has always pushed me forward to try new things and I, without fail, have the perseverance to finish what I start. Apart from the education at universities in Romania I have done one semester in Krakow in Poland and 1 year of study in the Netherlands, both part of an ERASMUS scholarship.

EXPERIENCE

July 2017 - August 2017

FIDA Solutions

Summer intern

Summer internship, worked 6 weeks with JavaScript, HTML and CSS.

March 2018 - September 2018

Property Shark

Full Time Intern

A six-month period of internship. One half of it working with Visual Basic to do User Acceptance Tests. The second half was with C# creating and modifying ASP.NET applications. Both of them related the "PropertyShark - Real Estate Search and Property Information" website.

January 2019 - June 2019

Pragmatic Play

Full time Programmer/Localisation Engineer

Unity developer for slots games. My task was to create Unity editor extensions, or to continue existing extensions, to help streamline the game production. I was also part of the localisations team and we were responsible for the maintenance of the application in the case that problems might appear in certain languages.

July 2019 - September 2019

University of Iceland

Placement Mobility European Economic Area (EEA)

A two-month mobility in Iceland to work at the university on a research project. I developed a Virtual Reality application in Unity to help people that suffer from Acrophobia (fear of heights).

EDUCATION

National College "Gheorghe Sincai"
Baia Mare, Romania

2011-2015

Computer Science at University
"Babes-Bolyai"

2015-2018

Graphics, Multimedia and Virtual Reality
Master's Degree at "Universitatea
Politehnica din Bucuresti"

2018-2020

VOLUNTEERING

HERMES Society

-Image and Public Relations Department
Student organisation with members from the faculty of Mathematics and Computer Science of Babes-Bolyai.
